

# Ram

- Says: People at restaurants don't understand what I'm saying
- Does: Asks many questions about food when he gets to the server
- Feels: No matter what I do, ordering is confusing and I'm helpless to change the outcome.
- Thinks: What my meal will be is a gamble and probably won't be what I want to eat.

## *Interests*

Loves to spend his weekends coding and listening to music. He has a weakness for karaoke and cookies.

- Lived in the US for 1.5 years
  - Always ready to start a conversation
  - Likes going to new places with friends
